***Open Technique Workshops are for any dancer wanting an additional technique class where they can focus on individual goals/skills. It is HIGHLY recommended that any dancer wanting to compete a solo/duet/trio register for one of these if it doesn't conflict with their ballet or Tumble Team classes.**

***Open Hip Hop Classes are not required, but highly recommended to improve hip hop skills for any dancer hoping to compete in hip hop for the 2022-2023 season.**

***These are recommended ages and should be followed for summer classes. They DO NOT determine fall placements. If you are new to the team, and are on the borderline for age it is recommended to start in the lower level, and then MSSD staff will determine if an advancement is needed:)**
